

## **Township of Perth East** **QMS Policy**

The Township of Perth East Well Supply and Distribution Systems are operated and maintained by the Township of Perth East.

The Township of Perth East is committed to the following:

- Ensuring a consistent supply of safe drinking water
- Maintaining and continuously improving its quality management system
- Meeting all applicable regulations and legislation

The Township of Perth East will strive to achieve these goals through the dedication, support and participation of all of the council members, managers and employees who are directly involved in the supply of drinking water.

The Quality Management System Policy is posted on the Township of Perth East Web site [www.pertheast.ca](http://www.pertheast.ca), the Municipal Office located 25 Mill Street East in Milverton, and the well houses located in Milverton and Shakespeare. All waterworks personnel have reviewed the policy.
