

TOWNSHIP OF PERTH EAST

Public Works and Parks Department

Element 2 Quality Management System Policy

The Township of Perth East Well Supply and Distribution Systems are operated and maintained by the Municipality of North Perth Water Department.

Together, the Township of Perth East and the Municipality of North Perth Water Department are committed to the following:

- Ensuring a consistent supply of safe drinking water
- Maintaining and continuously improving its quality management system
- Meeting all applicable regulations and legislation

The Township of Perth East and the Municipality of North Perth Water Department will strive to achieve these goals through the dedication, support and participation of all of the council members, managers and employees who are directly involved in the supply of drinking water.

The Quality Management System Policy is posted on the Township of Perth East Web site pertheast.ca, the Municipal Offices located 25 Mill Street East in Milverton, and the wellhouse located in Milverton and Shakespeare. All waterworks personnel have reviewed the policy.
